📱 **+1 530.713.1274**

🏠 **Nevada City, CA**

- Solid track record of on-time delivery with high quality output and excellent client support
- Highly organized and detail oriented
- Multitasking and creative problem solver
- Good communication skills, works effectively with teams and independently

Contract Graphic Designer

Landini Design, Nevada City, California

2012 - Present

- Graphic and web designer for U.S. and international companies
- Client and production management

Primary client: **Advanced Automotive Battery (AAB)** the leading knowledge conference provider in the Hybrid Battery market in the U.S., Europe, and Asia

- Responsible for complete company re-branding and all visual communication
- Created new logos, website, and digital and print marketing materials
- Created and managed all conference materials, including booth design, signs, programs, proceedings and direct communication with exhibitors and sponsors
- After the successful re-branding AAB's visibility and credibility in the market dramatically increased, making them the most successful conference organizer in the field and doubling revenues. The company was subsequently acquired by a larger organization.
